

NOTICE

Here's hoping that you are safe and healthy during this challenging time in history. The spread of COVID-19 has necessitated changes in the *way* we learn, but it does not change our *desire* to learn. We know that as precautions are taken to ensure the safety of our communities, we must find new methods to keep learning on track for everyone.

That's why 1st Academy School of Insurance has accelerated plans to keep students on track by **offering virtual classroom instruction**. All classes will be provided via Zoom. It is a live online class with classmates and an instructor facilitating as they would in the natural classroom environment.

The books and required documents and/or quizzes shall be sent by priority mail or via email. Please ensure that we have your most current address and contact information (address, cell/home phone number, email address).

It is our greatest pleasure to assist you in preparing for an amazing industry that is recession proof and corona proof. This is an absolutely perfect time to get into the insurance industry.

Feel free to email me at help@academyinsurannceschools.com with any questions that you may have and I will respond accordingly.

Your Partner in Success,

Lisa R. McCombs
